Welcome

Brandman University Student,

Several of our team members have previously held positions as an academic or finance counselor at one of the following institutions: UC Riverside, UCLA, Loyola Marymount University and the University of Phoenix.

The following information is for educational purposes only and should be validated with your academic counselor. With a little effort toward patience and research, you will learn how you may be able to both save thousands of dollars in tuition and graduate faster.

After reading this guide, spend five minutes with your academic counselor and see if you're eligible to test out of classes with DSST/DANTES exams. Your counselor will tell you which classes are exempt and which DANTES exams you can take to fulfill your remaining requirements. Education is most effective when followed by action.

Sincerely,

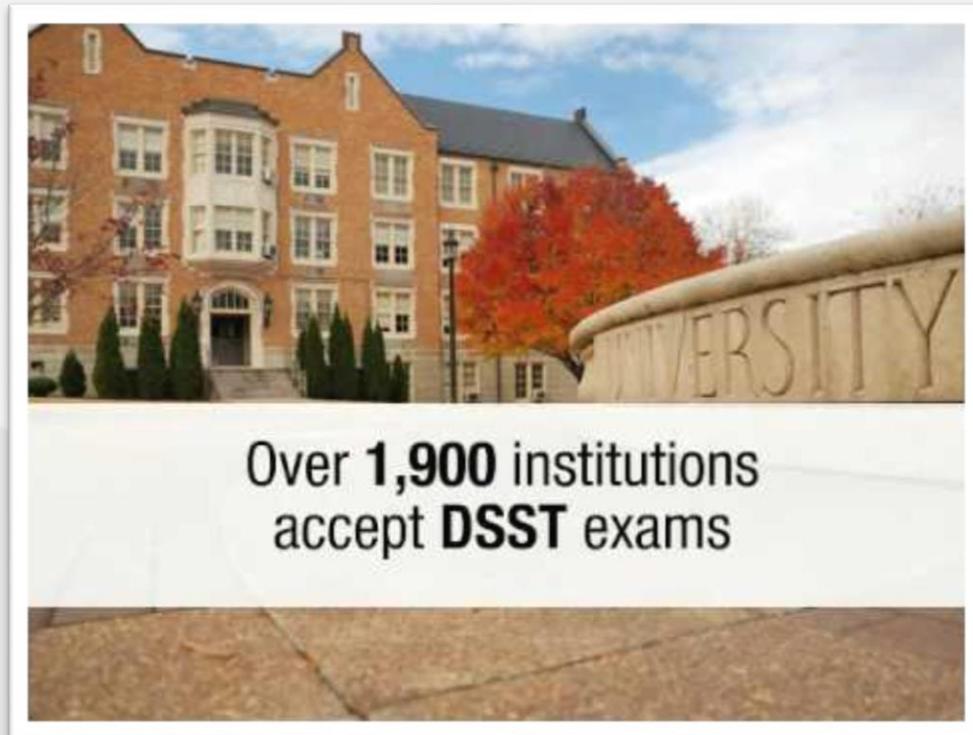

Team DTP

DSST/DANTES EXAM OVERVIEW

What are DANTES (DSST) exams?

DANTES is an acronym for:

Defense **A**ctivity for **N**on-**T**raditional **E**ducation
Support

The DANTES program was developed in order to help military personnel complete their college studies more quickly, but now it is available to all students, regardless of military background.

By passing DANTES examinations, students can obtain course credits in a wide range of subjects without ever having to complete the coursework or pay the tuition required for traditional, semester-long classes. DANTES exams are offered in over 150 subjects, and they are widely accepted

by colleges and universities. ***If you qualify, you can test out of most lower-level and some upper-level courses.***

Are DANTES exams accredited?

DSST (DANTES Subject Standardized Tests) have been evaluated and approved for college credit by the American Council on Education's College Credit Recommendation Service (ACE CREDIT). The DSST exams are an affordable and efficient way to earn college credit, and DSST credits are accepted at over 2,000 colleges.

<http://getcollegecredit.com/about>

What are DSST exams like?

DSST exams are internet or paper-based, multiple-choice formats, some including an optional essay portion. Test takers are given two hours to take the 100 question exam. DSST exams must be taken at authorized testing centers.

Here is one of our sample questions on the subject: *Organization Behavior.*

A person's _____ would also include their culture, family, group membership and their life experiences.

- a) personality
- b) attitude
- c) behavior
- d) environment

Answer: d. environment

*There is no reason to be intimidated. We explain the concepts in class and also in our study guides.

If I fail a DSST/DANTES exam, will it affect my GPA?

One other huge benefit of DSST/DANTES exams is this: they **will NOT** affect your GPA. This is a huge benefit!

Credit will transfer to your institution as a Pass or a Fail. If you fail, you must wait 90 days to take that exam again. For example, if I fail "Organizational Behavior" I must wait 90 days before I retest. However, I can take another exam that meets the same requirements at any time.

What's the minimum passing score?

The scoring scale is between 200-500, which theoretically means the lowest possible score is 200 and the highest being 500. The minimum passing score is 400. Most institutions award credit if you meet the minimum passing score; however, you will want to confirm with your academic counselor what score your institution requires.

There are no penalties for incorrect answers-so be sure to answer each question.

When will I know if I passed the DSST exam?

We recommend taking the exam at an Authorized Testing Center that has the ability to offer you the **computer based** test. If you take your DSST exam on a computer, your results will be given the same day.

How do I know if I qualify to take DSST/DANTES exams?

First, speak with your academic counselor and obtain approval.

There are two words you never want to hear from your counselor: **regression** and **duplication**.

Regression occurs when a student takes a course that is at a lower level than a course the student has previously passed. **Students do not earn credit hours for regression.**

Duplication typically occurs when a student takes a course more than once, and the course is not repeatable for credit. **Students do not earn credit toward graduation for hours of duplication.**

Example:

Mr. Dow took "Basic World Religions 201" at XZY Community College in 2014. If Mr. Dow took the DSST/DANTES exam for *Introduction to World Religions*, he would most likely NOT receive credit because "*Introduction to World Religions*" would duplicate "*Basic World Religions 201*".

My counselor told me that I lack 3 units of humanities, 3 units of electives and that I can test out via DSST/DANTES exams. What does that mean?

Humanities, Social Science, Communication Arts, Electives and Liberal Arts (et cetera) are all categories. Each DANTES exam falls into a category. You must select a test that falls into the specific category you need and get your counselor's approval to take that exam.

Example:

The DSST *Art of the Western World* exam qualifies for the categories: Humanity, Interdisciplinary, Liberal Art, and Elective. If your counselor approves you to take the Art of the Western World DSST exam to meet your Humanities requirement, you can then test out of those units by successfully passing the *Art of the Western World* DSST exam, which will fall into the Humanities category.

I'm not a great test taker. What do you recommend?

If you attend our prep course, we will work with you individually and assess your progress from start to finish. If, at the end of our class, we feel you are not fully prepared to take the final exam-don't worry. We will allow you to retake the course again at no additional charge. Regardless if it takes one (1) or four (4) days to properly prepare you, we will coach you until we know the odds of you passing are in your favor. Our unconditional money-back guarantee is our commitment to you.

Transcripts

How will my school receive my transcripts?

When you register to take your final exam (at the authorized testing center), you will enter an **"Institutional Score Recipient Code,"** - you can use 8712. DSST will send a copy of your official transcripts to your academic institution for free!

Brandman University has many campuses, with many different codes. However, all the codes route the transcripts to their registrar's office in Irvine, CA.

If you wish to locate the specific code for your campus, please visit:

<http://getcollegecredit.com/institutions/search>

There, type the name of your institution (Brandman) in the search box. The 4-digit code located above the school name and university address is the institutional code you're looking for.

Example:

Visit this link:

<http://getcollegecredit.com/institutions/search>

If you type "Brandman University, San Diego," - the information below will appear. The highlighted 4-digit code is the Institutional Score Recipient Code you will need.

When registering for the DSST final exam at an authorized testing center - you would enter this code if you attended the Brandman University, San Diego. If you're done taking classes and don't attend the campus anymore, you're fine. Enter the code and Brandman will still receive your results.

9300
BRANDMAN UNIVERSITY
7460 MISSION VALLERY ROAD
SAN DIEGO, CA 92108

If your campus is not listed, this means that your campus **DOES NOT** have a specific code. Please use 8712 and Brandman will receive your results.

How long will it take for the school to receive my official transcripts (test results)?

Your school should receive your results in about five weeks.

Please, follow-up with your academic counselor five weeks after your exam and confirm that Brandman received your transcripts.

If for some reason your school has not received your transcripts, please contact DSST (877-471-9860). If you call within 90 days of your test date, they will re-send the score report (transcripts) free of charge. *Any request 90 days or more after the exam date will incur an administrative fee. No exceptions.*

How can I order or expedite my DSST transcripts?

Visit the link below. Download the transcript order form and follow the instructions.

DSST exams are given throughout the United States. How do I find an authorized testing center where I can take the exam?

Visit <http://www.getcollegecredit.com> in order to locate an authorized DSST testing center. STUDY RESOURCES

We would love for you to become a member of our team and use us as a study resource. Maybe, however, you live outside California or you like to study independently.

Your institution may offer free study resources for their students! Ask your counselor for details. If they do offer free material, we recommend using it as a bonus and not as your primary studying tool for the exams.

You can Google the name of your exam or keywords such as:

Dantes Exams Dantes Test Dantes Test Prep

DSST Exam Prep DSST Test DSST Test Prep

There are many study resources available from books on Amazon to online study resources. Please be aware that some online resources require you to buy their study materials or commit to a membership fee.

It's NOT the responsibility of your counselor to tell you where to get your study materials. Please conduct your own due diligence and find a resource you're comfortable working with. If a company asks you to buy a "series" of study modules for numerous exams, take caution. Research the company and make sure there are no major complaints with the Better Business Bureau.
